Holiday Extravaganza

NOVEMBER

29

SATURDAY

If you're looking for something to add to your yearly holiday traditions or just simply something to do after so much wonderful Thanksgiving food, the Elmwood Murdock Merchants' Association encourages you to enjoy this year's Holiday Extravaganza. The theme is **A Christmas Journey**.

Start your day with pancakes at the Fire Hall, then make your way to either the G.A.R. Veterans Museum or the Boutique and Craft Fair at the elementary school. Bring the kids to see Santa at the Firehall! The library will have some crafts, coloring, and a kids' hoodie giveaway. Don't forget to stop by Candy Cane Lane and fill a plate (or two) with holiday goodies. The Aldrich House will be open to showcase their Journey into Christmas, and the Living Nativity drive-through event is a wonderful way to start the holiday season. There's a Lego exhibit at the Cultural Arts and Learning Center that might interest kids and adults alike. You won't want to miss the magician's performance! The late afternoon includes the Community Center soup supper and Memorial Recognition. The ECA will host a cornhole tournament at the Quonset to end the day.

Please check out the complete event schedule found in this newsletter.

Happy Holidays from the Elmwood Murdock Merchants' Association!

The 10th Annual Living Nativity

Seek the Light

The 3B Homestead, located in rural Cass County Nebraska between Omaha and Lincoln, invites you, your family, and your friends to the 10th annual Living Nativity.

Guests walk through a grand, old 1888 barn. Inside is not a typical nativity scene. You'll find stalls filled with barn animals and stations that help volunteers tell the beautiful Christmas Story from Luke 2.

All events are free. Live music, cocoa, a memorable nativity star, new features in the barn and a Stable Store gift shop will add to the fun as we celebrate the true meaning of Christmas at this 10th annual event.

The events are free as an outreach of the 3B Homestead. Drive thru events are Nov 29th and Dec 24 from 9 am to 2:00 pm. In the barn events are Nov. 30, Dec 6 & 7, 13 & 14, 20 & 21 from 2:00 pm to 5:00 pm. Pre-scheduled private groups can be arranged for Mondays in December by calling 402-867-1802.

My name is Kristen Janssen and I work with Conservation Nebraska as the Renew Nebraska Program Coordinator for Cass County. My husband and I live in Elmwood and have three boys who are 12, 10, and 7. Conservation Nebraska is a statewide nonprofit whose mission is to protect our state's natural legacy by educating the public, supporting communities, and increasing civic engagement. Conservation Nebraska is made up of several programs including the Common Ground Education Program, Our Legacy Nebraska, and Renew Nebraska. The Common Ground program helps communities through locally-led education efforts and community engagement to help Nebraskans address their local conservation concerns.

Our Legacy Nebraska was built on the foundation of the Common Ground Program. It is a three-year program that helps to train members in how to effect change in their own communities. Renew Nebraska is a nonpartisan coalition of Nebraskans who support energy innovation. Renew Nebraska also serves as an information hub about energy innovation in Nebraska to help increase access to high quality and up-to-date energy related information and helps to connect Nebraskans with experts in energy related fields.
